

Burbank Brawl 2022

At Columbia HS/MS- 755 Maple St.

Thank you for attending our tournament in Burbank. The schedule was set up with COVID restrictions in mind. We are going to keep the same schedule, but there will not be a mask requirement in place. Tournament will be held at 2 different start times in 2 different gyms. We will use 8 mats in each gym. Please make note of your wrestler's weigh-in time and which gym to go to.

Please do not wait until the last minute to arrive.

During the tournament, keep in mind that our officials are mostly HS wrestlers who are there to help out. Same goes for our table help. Without them, we would not have tournaments. **Each club is responsible for running a table throughout the tournament.**

We will have some concessions and t-shirts (\$10) to purchase. Kona Ice will be here also. They will be parked between the Middle and High School gyms in upper parking lot.

Seating: There is plenty of bleacher seating in the High School gym. If you are in the Middle School gym, you might want to bring a chair. There is some bleacher seating available, but we do have a lot of floor space. Please do not stand between bleachers and mats in either gym.

Parking: There is parking in front of HS, between the HS and MS gyms, front of MS (parking lot and street), and on the edge of road across from HS/MS. **Do NOT park in Fire Lane or on grass.**
